15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:
[On 9-3-18 at 1241 hrs Sarah Thompson and her friend Elena Yager came to the front desk of the SW Pct stating that they are concerned that they may have been drugged at a tavern last night. With them was their friend Emily Yoshiwara.

Thompson and Yager said that yesterday between approximately 1700-1800 hrs they were at Mac's Triangle Pub located at 9454 Delridge WY SW. Also present at the tavern were the bartender and an unidentified man who was sitting at the bar. During this time both women had 2 drinks. Thompson had 2 Manhattans, and Yager had 2 Gin & Tonics. Prior to 1800 hrs the women began to feel overly

intoxicated for what they had drank. They state that at no time did they leave their drinks unattended. However, Thompson says that when she requested her second drink from the bartender he asked Thompson if he could re-use her glass. Thompson said yes, but found this to be a little strange. At about 1800 hrs they left the bar and began walking to Thompson's house.

The women state that they had great difficulty walking and had to assist each other all the way to the house. When they got to Thompson's house both Thompson and Yager were feeling very ill. They began vomitting extensively "all over the house". Soon thereafter they both ended up on the floor and were unable to move or speak. Awhile later they passed out, and believe that they were in this condition for 3 to 3 1/2 hrs. Eventually Thompson was able to text their friend Emily Yoshiwara. This was at approximately 2130 hrs. Yoshiwara states that when she arrived at the house she found vomit everywhere. Yoshiwara says that her friends appeared "out of it", but that they were able to talk and did acknowledge her presence.

I asked Thompson and Yegar if they had eaten anything at the tavern. They said that they had not, but earlier, between 1530 to 1630 hrs they had been at Viva Mexico restaurant at 10601 16 AV SW. At this restaurant they had eaten chips, guacamole, beans and salsa.

The women state that as of this morning, 9-3-18, they both had headaches and were vomitting. As of the time of this report Thompson and Yager say that the symptoms have mostly passed.]

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)
